Dear All

As per our regular practice, we request you to nominate the CDC Student Coordinators for 2021 batch as per the guidelines.

- 2 Students from each section
- Out of the above 2, one boy and girl
- Avoid CRs any way they will act as 3<sup>rd</sup> coordinator
- Sometimes the coordinators have to work beyond college timings hence consider in case to case basis

Request you to share your list of selected students on or before 22<sup>nd</sup> July'2020.

*Regards*
