Policy for differently abled

Objectives

1. To Build an inclusive atmosphere to prevent discrimination, abuse and exclusion of disabled students and workers from all fields of work and education
2. To promote a comprehensive and inclusive learning environment in which disabled students or employees are not unfavorably treated.

Amenities to Support services

1. Facilities related to disabled persons are provided as per the government rules
2. Lifts are provided for the elderly and disabled students/staff
3. Wheel chair shall be provided to the persons with disability
4. Staff shall counsel students with disabilities, including persons with learning disabilities
5. Reading software shall be provided in the library
6. Whoever intentionally insults or intimidates a person with disability, or sexually exploits a woman or child with disability, shall be punishable
7. To provide counseling to differently - abled students on the types of courses they could study at the higher education institutions.
8. To ensure admission of as many differently-abled students as possible through the open quota and also through the reservation meant for them.
9. To assess the educational needs of differently abled persons enrolled in the higher education institutes to determine the types of assistive devices to be procured.
10. To conduct awareness programs for teachers of the institute about the approaches to teaching, evaluation procedures, etc. which they should address in the case of differently-abled students.
