| 2    | <p><b><u>Curriculum and Course Titles of AR21 Academic Regulation for CSE in AIML &amp; AIDS Specializations</u></b></p> <p>Curriculum and Course Titles of the CSE-AIML Specialization for the AR21 Academic Regulation is presented to the BoS members.</p> <p>The curriculums were approved by the members of the BoS after a thorough discussion, with the following suggestions.</p> <p>It has been confirmed that CSE-AIML syllabus covers the subjects required for GATE-CSE examination.</p> <p>The subjects which are in lined with the CSE curriculum have already been approved by BoS members at the previous BOS meeting. The new courses introduced for CSE-AIML was discussed for approval.</p> <p>Dr. M.H.M. Krishna Prasad, Professor/CSE at JNTUK, appreciated the incorporation of integrated courses into the curriculum. In an integrated course, students must complete both theory and lab simultaneously, allowing them to develop both theoretical and practical competencies simultaneously.</p> <p>It was suggested that during summer internships, students should engage in community service projects to</p> |         |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |  |

|    | <p>broaden their perspectives and encourage social responsibility.</p> <p>Dr. M.H.M. Krishna Prasad has made a point that the B.Tech curriculum must include a course "Universal Human Values -2" under the humanity stream with a credit value of 3, in accordance with AICTE guidelines. It is recommended that the course "Professional Ethics and Human Values," which is currently offered as an audit course, be replaced with the standard course "Universal Human Values -2."</p> <p>It is also suggested that a course with explicit tutorial hours be given extra credit to recognise the students' extra effort and time.</p> <p>It was confirmed that the "Computer Vision and Pattern Recognition" elective course in the "ML Ops" career path does not overlap with the machine learning and deep learning subjects.</p> <p>The members expressed their satisfaction with the presented curriculum and course titles and approved the AR21 Academic Regulation Curriculum and Course titles for CSE-AIML Specialization.</p> |  |

(Dr. V. Vallikumari)

(Dr.M.H.M.Krishna Prasad)

Board Chairman- HOD- AI & ML

**Department of CSE-Artificial Intelligence and Machine Learning/  
CSE-Artificial Intelligence and Data Science  
3<sup>rd</sup> Board of Studies**

**Agenda**

**Virtual Meeting through MS Teams**

**Dated: 16.03.2024 (Saturday)**

**Time(s): 11.30 AM TO 1.00PM**

**Agenda:**

- Review of Titles and Syllabus of 7<sup>th</sup> & 8<sup>th</sup> Semesters under AR21 for CSE-AI&ML / AI & DS.
- Finalization of Course structure and syllabus for AR-23 3<sup>rd</sup> and 4<sup>th</sup> semesters.
- Review of syllabus changes in 2<sup>nd</sup> and 3<sup>rd</sup> year courses if any!!
- Any other Items with the permission of the chair person and BOS members.

**External Members : Members of BoS (Industry, Academia, Alumni)**

| Career Path I, II, III |         |                                                    |               |   |   |   |   |
| 1                      | 21MLC13 | Conversational AI                                  | 1,2,4,12,PS01 | 3 | - | - | 3 |
| 2                      | 21CSC23 | Web Application Databases (Full Stack Development) | 2,3           | 3 | - | - | 3 |
| 3                      | 21MLC33 | Cloud Security Essentials                          | 2,3           | 3 | - | - | 3 |
| 4                      | 21IT010 | Social Network Analysis                            | 2, 4, 5       | 3 | - | - | 3 |
| 5                      | 21ML001 | Human Computer Interaction                         | 2, 3          | 3 | - | - | 3 |
| 6                      | 21CS012 | Wireless Adhoc Networks                            | 2, 3          | 3 | - | - | 3 |
| 7                      |         | MOOCs/Honors                                       |               | 3 | - | - | 3 |
| Elective VI            |         |                                                    |               |   |   |   |   |
| 1                      | 21DS002 | Data Visualization with Power BI                   | 2,3,5,6       | 3 | - | - | 3 |
| 2                      | 21CS015 | Software Project Management                        | 3,6           | 3 | - | - | 3 |
| 3                      | 21ML003 | Reinforcement Learning                             | 6,7           | 3 | - | - | 3 |
| 4                      |         | MOOCs/Honors                                       |               | 3 | - | - | 3 |

**Elective VIII: Professional Elective**

|   |         |                               |              |   |   |   |   |
|---|---------|-------------------------------|--------------|---|---|---|---|
| 1 | 21CS018 | Information Retrieval Systems | 1,2,3,4      | - | - | - | 3 |
| 2 | 21CS019 | Fundamentals of Devops        | 1,3, 5,8,10  | - | - | - | 3 |
| 3 | 21DS003 | Cyber Security                | 1,3,4,5,PSO1 |   |   |   | 3 |
| 4 |         | MOOCs/Honors                  |              | - | - | - | 3 |

Course Titles and syllabus of the CSE-AI&ML / AI&DS Specialization for the AR21 Academic Regulation is presented in the meeting.

A thorough discussion was made and the syllabus was verified.
