

## **Criterion VII – Institutional Values and Best Practices**

### **7.1.1(E) Day care center for the kids (Beneficiaries)**

Dedicated Day Care Centre for the kids of faculty and staff has been established. The center offers a safe, hygienic, and child-friendly environment to ensure proper supervision and appropriate age activities. It operates during institutional working hours, making it convenient for parents to balance professional responsibilities and childcare needs. The facility is equipped with essential amenities such as sleeping areas, play materials, and basic learning resources. The Day Care Centre reflects the institute's commitment to inclusivity, wellbeing, and employee support services
