## Local Parents Meeting

<b>Title</b>	<b>Report on Local parents meeting</b>
<b>Date</b>	<b>08-10-2024</b>
<b>Venue</b>	<b>Seminar Hall, 1<sup>st</sup> Block, Ground floor</b>
<b>Attendees</b>	<b>Principal, Local staying parents, private hostel warden and Faculty members</b>
<b>Organizer</b>	<b>GMR Institute of Technology, Rajam</b>

A local parents meeting was held, which was addressed by the Principal. The meeting aimed to foster a stronger connection between parents, students, and the college administration, and to address key concerns about student welfare and discipline.

### Principal's Address

The Principal welcomed all the parents and emphasized the need for collaboration between the college and parents in ensuring the safety and discipline of students, both on and off-campus. He highlighted the following key points:

**Parental Involvement in Student Security:** The Principal requested that parents become active participants in monitoring discipline in the town, particularly in areas where students are known to gather. He urged parents to work with the college as part of a broader team to ensure that students' safety and security are maintained.

**Suggestions on Student Discipline:** The Principal emphasized the importance of students maintaining discipline not just within the college but also in the town. He requested parents to guide their children on appropriate behavior and set expectations for their conduct outside of college hours.

### Parents' Concerns

During the meeting, various parents raised concerns regarding their children, expressing issues such as:

**Time Management:** Some parents highlighted the challenge their children face in managing time between academic responsibilities and extracurricular activities.

**Peer Influence:** Concerns were raised about peer pressure and its potential impact on their children's behavior and academic performance.

**Safety in the Town:** A few parents expressed worries about student safety in certain areas of the town after college hours, particularly in crowded or unsupervised spaces.

The Principal assured the parents that these concerns would be addressed and encouraged them to communicate openly with the college administration regarding any ongoing issues.

### Conclusion

The meeting concluded with a commitment to work together to ensure the well-being, discipline, and safety of the students. The parents appreciated the open platform for discussion and the Principal's proactive approach. Around 32 students' parents participated in this fruitful exchange.
