

Criterion 1 – No Poverty

Key Indicator – 1.4 Community anti-poverty programmes

1.4.3. Programmes for services access

To instill the value system of giving back to the society among the students, several initiatives have been taken up. One such is the engagement of the students in the community development through Community Radio. Awareness among the population within 15 km diameter on variety of issues ranging from child health care, to employment viz. importance of safe drinking water, promoting local heritage, agriculture related programs to farmers, personal hygiene, disadvantages of open defecation, Girl child education, implications of malnutrition and higher education & Employment opportunities of the youth through GMRIT Community radio broadcasting at 90.4MHz.

Business Incubation Center (BIC), supported by Ministry of Micro, Small & Medium Enterprises (MSME), established in the year 2011 motivates, supports and mentors students for identification, development and commercialization of their innovative ideas. To nurture and foster the integration of academics with industry and promotion of Entrepreneurship competencies among the students, institution has provided a dedicated space on the campus to enable new startup companies by providing services like training, office space, executive support for firm registration, Technology and infrastructural support. Along with final year students, BIC encourage also the start-ups coming from the Students/Staff/Alumni/ of GMRIT and from the community in and around GMRIT addressing the local and regional needs. Activities done under various initiatives are as under:
