HIGHLIGHTS

> Excellent Infrastructure facilities
> Experienced Faculty Members
> Innovative Cohesive Teaching Learning Practices
> GMRIT Online Videos & Lecture Notes Series
> Value Added Courses on Recent Technologies
> Credited Courses for Employability Skills
> On Campus Hostel Facilities for Boys & Girls
> Coaching Classes for Competitive Examinations and Foreign Languages
> Access to facilities beyond Working Hours
> Clubs and Professional Societies for Holistic Development

INDUSTRY ENGAGEMENT

> Tie-up with 300+ Companies
> Industry Engagement from Second Year Onwards
> 4439 Summer Internship Offers since 2014
> 523 Full Semester Internship Offers with Attractive Stipend
> On Campus Startup / Incubation Facilities for Innovative Ideas
> Project Based Learning
> Mentoring with Industry Experts
> Industry Oriented Curriculum

PROGRAMS OFFERED

B. Tech. Programs

Civil Engineering | Chemical Engineering Computer Science & Engg. | Electronics & Communication Engg. | Electrical & Electronics Engg. | Information Technology | Mechanical Engg. Power Engineering

M. Tech. Programs

CSE in Cyber Security | Digital Electronics & Communication Systems | Environmental Engineering | Power & Industrial Drives Transportation Engineering | VLSI & Embedded Systems Design | Thermal Engineering

Facebook invites GMR student

SPECIAL CORRESPONDENT
VISAKHAPATNAM

A city-based engineering student of GMR Institute of Technology at Rajam in Srikakulam district, has been invited by Facebook to its headquarters in California, US, for giving a presentation on the tool he had developed. K.V. Ram Harsha, who developed the first of its kind data management solution programme, will leave for the US on June 17.

ALUMNI AND STUDENTS PERCEPTION

Arun Kumar
Vice President, JP Morgan Chase & Co.,
Columbus, Ohio State, USA

Vijaya Malla
Senior Software Engineer,
Leidos, Washington D C

John Seeli
Project Manager, Blue Sky Exhibits,
Atlanta, Georgia

Samuel Kanikella
Associate Consultant, TCS,
Redhill, United Kingdom

K Sivakumar Naidu, I.A.S
Additional Commissioner, Hyderabad
Municipal Corporation

Madhavi Sruthi Kothagundu
Software Developer,
Amazon, San Francisco Bay, USA

Satya Mythily Kolluri
Senior Technical Architect
Hex aware Tech, Greater Atlanta, USA

Srikanth Sharma Boddupalli
Technology Lead,
IBM, USA

Chakradhar Ghanagam
Technical Architect
(ADAS), Continental, Bengaluru, India

Venkata Suresh Uggina
Sr. Contracts Engineer, Rayo Water,
Muscat Governorate, Oman

GMRIT provided me a platform for a holistic development with a good attitude. The faculty are very good in imparting strong fundamental knowledge that enabled me to strengthen my passion towards research leading to initiate my career in a reputed research organization, ISRO.
Mr. Vinay Doki, ECE (2006-2010)

I am privileged to be an alumnus of GMRIT. The constant and steady focus on emerging technologies makes the best training for the budding entrepreneurs like me.
Mr. Mathan Lolugu, ECE (1999 - 2003)

The 5 week CEA certified Power Plant Familiarization and Simulator Training programme helped me a lot to improve my practical insights about Power Plant operation and now I am confident enough to work in any power plant.
Ms. K. Sunitha, Power Engineering (2014-2016)

During 4 years of my tenure, GMRIT has exceptionally provided an all-round support including post dinner sessions, particularly on deep coding skills enabling me to appear for international and National level online coding competitions.
Mr. Ratnakar, Department of CSE, 2014-2018

We (Team Turbo Riders) participated in Hybrid Vehicle Challenge held at Delhi. We find ourselves taking a new stand by bridging the gap between academic curriculum and industry expectations. We thank all the faculty members of Mechanical Engineering for guiding us to participate in such events at National height.

Education is not just about imparting knowledge but imparting the values. Giving back to society is the principle on which GMRIT is established. I, hailing from this college carried this in every step of my life which helped me to achieve my goals. Massive library, active placement cell, all together is bringing out capable graduates. It really laid a great foundation to what I am now.
Ms. Ramya Metta, EEE, (2009-2013)

DISTINGUISHED GUESTS VISITED

Dr. A. P. J. Abdul Kalam
Former President

Shri. Ch. Vidyasakar Rao
Honorable Governor, MH

Shri. B. V. R. Mohan Reddy
Executive Chairman, Cyient

Shri. A. Sivathanupillai
Scientist, ISRO

Shri A. M. Naik
Group Chairman, L & T

Shri J. J. Irani
Former Director, TATA, Sons

Shri. Vineet Nayyar
Vice Chairman, Tech Mahindra

Shri. C. P. Gurnani
CEO and MD, Tech Mahindra

Shri. E. S. L. Narasimhan
Honorable Governor, AP
