

5.1.3. Following Capacity development and skills enhancement activities are organised for improving student's capability

Apart from academics, the institute is very much keen and focused towards enhancing the employability skills to bring a holistic growth among the students. With this focus the institute has taken several measures in terms of introducing credited courses for employability skills, extra- and co- curricular activities, language electives and courses related to recent developments. The courses on employability skills are designed in a structured way that brings and reinforces adoptive and positive behaviour among the students. In addition to the above, industry driven courses for enhancing the employability skills also been offered by subject matter experts (SMEs) from time to time based on the demand driven needs of the industries. Above all, to foster work life balance the students are motivated to participate in all sports and games enabling physical fitness and yoga and meditation for mental fitness. To foster practice of yoga and meditation, the institute has established Swami Vivekananda Centre for Human Excellence (SVCHE) and organizes motivational sessions with professional trainers at regular intervals.
