The institution being a private self-financing affiliated autonomous college has limited scope for having the students PAN India. However, to promote diversity among the students and faculty, the institution provides an eco-system and enabling environment for the co-existence of the people coming from different culture, region, linguistic and other socio economic diversities.

Institute encourages the community outreach of the faculty and students by involving them in various community related activities carried out with financial support. The institute also conducts outbound get together programs giving opportunity for the faculty members promoting the cross cultural interactions.

Similarly, to promote cross cultural interactions, national level programs are organized for both students and staff enabling the peer learning. In the similar lines, national level sports competitions are hosted by the institution giving opportunities to learn the best practices that exists across.

In order to ensure holistic development of students and staff, the institution encourages them to involve in community service to develop good citizenship. The institution is increasingly involved in conducting the outreach programs for the welfare of the society and to create awareness among students towards social issues.
